

NSDO

Nebraska Society of Dispensing Opticians

Greetings NSDO members,

I hope that you have had a great year and I am looking forward to everyone joining us again at the Truhlsen Eye Institute for our Annual Fall meeting. We have some great speakers this year. Jim Slightom will present four classes on Saturday with one class from Jeff Machemer with Cooper Vision. Sunday we will have Shelly Staack and Herb Fletcher from Younger giving us 4 hours of ABO hours. I would like to take this opportunity to thank all of our speakers for taking time out of their busy schedules to speak at our annual meeting.

I would also like to thank Lori Cervantes for helping us make the Truhlsen Eye Institute our new Fall meeting site.

Since our last conference, we have had our 3rd annual Operation Eyeglasses. We held this the first Saturday of May and were able to provide 191 pairs of glasses for the Sienna Francis house, Open Door Mission, Stephen Center, and Salvation Army.

A big thank you to Walman/Ritestyle for doing the first 150 at no cost and the rest at cost. We also couldn't have done it without all of the frame reps and opticals who donated unused frames, and for all of the wonderful volunteers. We had fun doing this and are already planning for next year.

The NSDO is looking for 2 new board members at this time. We would like to thank John Liken and Patty Tipler for all their help in our past years and hope they are doing well in their new endeavors. If you are interested in becoming a board member, please contact me or any of our board members.

Thank you and we hope to see you at this year's conference!
